Nomad

Efficiency and elegance in healthcare textiles

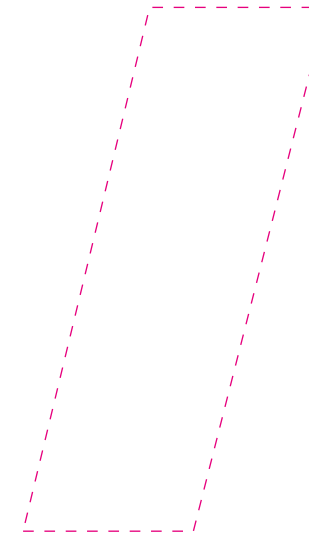

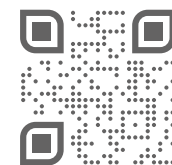

Nomad redefines coated healthcare textiles. With its delicate, refined texture, Nomad offers a touch of sophistication whilst delivering exceptional strength and durability tailored for the most demanding healthcare environments. Nomad's innovative Wipe & Walk technology features a breakthrough formulation designed to streamline the cleaning process by eliminating the need to rinse after using bleach, alcohol, or peroxide-based disinfectants. By saving water and reducing cleaning time, Nomad ensures a faster turnaround while maintaining impeccable hygiene standards, thereby lightening the workload of healthcare professionals.
